TODAY'S MESSAGE

Actually, The Bible Doesn't Say That

Part 2: God Hates Sinners

Proverbs 6:16-19

There are six things the Lord hates— no, seven things he detests: haughty eyes, a lying tongue, hands that kill the innocent, a heart that plots evil, feet that race to do wrong, a false witness who pours out lies, a person who sows discord in a family.

Romans 5:1-11 Therefore, since we have been made right in God's sight by faith, we have peace with God because of what Jesus Christ our Lord has done for us. Because of our faith, Christ has brought us into this place of undeserved privilege where we now stand, and we confidently and joyfully look forward to sharing God's glory.

We can rejoice, too, when we run into problems and trials, for we know that they help us develop endurance. And endurance develops strength of character, and character strengthens our confident hope of salvation. And this hope will not lead to disappointment. For we know how dearly God loves us, because he has given us the Holy Spirit to fill our hearts with his love. When we were utterly helpless, Christ came at just the right time and died for us sinners. Now, most people would not be willing to die for an upright person, though someone might perhaps be willing to die for a person who is especially good. But God showed his great love for us by sending Christ to die for us while we were still sinners. And since we have been made right in God's sight by the blood of Christ, he will certainly save us from God's condemnation. For since our friendship with God was restored by the death of his Son while we were still his enemies, we will certainly be saved through the life of his Son. So now we can rejoice in our wonderful new relationship with God because our Lord Jesus Christ has made us friends of God.

God is love. But God also hates.

What do we make of that?

You and I are guilty as charged for we have rejected God's way and demanded our own way but while we were yet sinners Christ lived for us, died for us, rose for us and one day will return for us and it changes absolutely... everything. Our hope for redeeming our pasts, empowering our presents and electrifying our futures lies solely in the strong hands of God...and I don't know about you but that is about the best news I have ever heard! —Shane Bishop

1 John 4:9 God showed how much he loved us by sending his one and only Son into the world so that we might have eternal life through him.

John 3:16 "For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life.

TODAY'S MESSAGE

To preserve His creation God must destroy whatever would destroy it. When He arises to put down iniquity and save the world from irreparable moral collapse, He is said to be angry. Every wrathful judgment in the history of the world has been a holy act of preservation. The holiness of God, the wrath of God, and the health of the creation are inseparably united. God's wrath is His utter intolerance of whatever degrades and destroys. He hates iniquity as a mother hates the polio that would take the life of her child. - A W Tozer

Your pain is what God uses to separate the sin he hates from the soul he loves.
— Talbot Davis

Romans 12:9-10 Don't just pretend to love others. Really love them. Hate what is wrong. Hold tightly to what is good. Love each other with genuine affection, and take delight in honoring each other.

Mark 2:17 When Jesus heard this, he told them, "Healthy people don't need a doctor—sick people do. I have come to call not those who think they are righteous, but those who know they are sinners."

We're all sinners. Everybody you meet all over the world is a sinner.
—Billy Graham

God's holy nature detests every kind of sin. He is grieved and provoked by sin, as we see over and over again in the Bible. Sin, and nothing else, is what separates man from God. This is why Christ shed his blood, endured the cross and its shame, and went through the agony of being God's sacrificial Lamb. He did it all to deal with the ugly fact of sin in your life and mine. In the end, God will annihilate all sin. He cannot relent from this because it is the essence of his holy nature. Through Jesus he provided for the washing away of sin's guilt.
— Jim Cymbala

Today's Bottom Line:

God hates _____ because he loves _____.

Going Deeper:

- Why is our culture so uncomfortable with the idea that God "hates?"
- How is God's hate different than human hate?

Brennan Manning wrote:

"The ragamuffin gospel reveals that Jesus forgives sins, including the sins of the flesh; that He is comfortable with sinners who remember how to show compassion; but that He cannot and will not have a relationship with pretenders in the Spirit." — Brennan Manning, The Ragamuffin Gospel

- How do you react to this quote?
- Why is the sin of pride "aka: pretending" so dangerous?
